

Mission Statement

A **mission statement** is a short statement of an organization's purpose, identifying the goal of its operations: what kind of product or service it provides, its primary customers, and its geographical region of operation. It may include a short statement of such fundamental matters as the organization's values or philosophies and desired future state—the "vision".

- What we plan to do – Purpose
 - Sustainable wastewater management for the community
 - Organize and secure funding
 - Develop project for one or more areas
